President's Message

Spring is here!! And what a busy time of year it is for our community and Leadership Pasco!! I'm really excited about the upcoming Taste of Pasco fundraiser. The Class of 2013 is doing an outstanding job with planning the event along with bringing awareness to their class project to support NAMI Pasco. I would like to encourage all Leadership Pasco alumni to attend the Taste of Pasco on May 11th – you will have a great time with special alumni VIP treatment! Make sure to come out and support the Class of 2013 and a wonderful cause – NAMI Pasco!

I would also like to invite all of you to come out to an upcoming Leadership Pasco Alumni mixer. These events keep getting better than ever!! A huge thank you goes out to Kim Bogart, Bob Memoli and Craig LaPorte for organizing the Alumni mixers. The mixers are a great time to reconnect with other LP Alumni and make the most of your membership!!

A special thank you to Terry Aunchman and Rob Aguis for coordinating a successful Education Day in February! Also, a thank you to John Walsh and Krista Hakes for organizing Business & Industry Day that will take place this month in March. Without program leaders like this, the Leadership Pasco program wouldn't be possible – so we really appreciate all your hard work and dedication!

Before we know it, the Class of 2013 Graduation will be here. Hope to see many of you there on May 30th as we celebrate the graduates and the class successes! It's been a great year so far and I can wait to see how it wraps up!

Youth Leadership Pasco - Education and Career Development Day

Rob Aguis (Class of 2001)
Barbara DeSimone (Class of 1996)

On Wednesday, February 6th, the Youth Leadership Pasco class of 2013 met at Marchman Technical Education Center to learn about Career Development, Leadership and Education in Pasco County.

The students were greeted and welcomed by Principal Shelia Bryan and Superintendent Kurt Browning. Superintendent Browning spent quality time with the students and opened the floor for some very courageous and candid conversations. The students opened up a dialogue about their schools, teachers, and the curriculum.

After a short break, the day resumed with a Group Juggling activity lead by Mr. Bob Bade from Pasco Hernando Community College. The students absolutely loved the activity and were challenged by the sheer number of participants and the number of objects "thrown in the mix". In the end the students were successful.

Before lunch Mrs. Michele Chamberlain, Career Specialist from JW Mitchell High School, guided the students through a serious discussion about career planning, colleges and universities, and scholarship opportunities. The students were engaged and very grateful for the valuable information they gained from Ms. Chamberlain's presentation.

After lunch, which was a culinary treat prepared by the Culinary Arts program, the students took a tour of the MTEC facilities and were exposed to many of the technical programs that are available to secondary students, post secondary learners and the community.

Throughout the day the students learned about networking, positive communications, leadership styles, management styles, perceptions and realities. Special Thanks to Kevin Griffith and Ben Diel who always make time each year for our young leaders.

The day was yet another enlightening experience for the students and was full of rich activities and a perfect way to complete the program. A special thank you to all of the presenters, Ms. Bryan and the MTEC staff for hosting the students for the day.

With that said, the students will commence on March 21st at Heritage Springs for graduation.

Education Day Got High Marks

Terry Aunchman (Class of 2010)

The District School Board and Pasco Hernando Community college teamed up to host Leadership Pasco's Education Day on February 21, 2013. The day began at the Academy of Culinary Arts at Land O' Lakes High School. The class was treated to a breakfast prepared by the culinary arts students, followed by a welcome from the school's Principal Ric Mellin and School Board Member Joanne Hurley. From Land O' Lakes the class traveled west to Marchman Technical Education Center, Richey Elementary School and Pasco Hernando Community College. At Marchman Technical Center, Pasco Education Foundation presented to the group, followed by a tour of the Career and Technical program offerings at Marchman. The class was treated to a phenomenal lunch prepared by Marchman's culinary students. At Richey Elementary, Principal Ken Miesner and Shaun Walker presented how they're using technology at the school to boost student achievement. The last stop was PHCC where the class was greeted by PHCC President, Dr. Katherine Johnson, followed by a tour of the campus.
